

## **Religious Exercises at LES**

Religious Exercises take place each school day morning from 9:00 and 9:05. The Bible reading/story and prayer are led by parent volunteers. All students are welcome to attend provided the parent has provided written consent or has signed a local petition to allow religious exercises in the school.

## **Religious Instruction at LES**

Parent volunteers come every Tuesday afternoon from October 18 – March 21 to provide religious instruction to students whose parents have requested, in writing or by signing a local petition, that their child participate. The material is from Child Evangelism Fellowship. Students not participating stay in their classroom with their teacher, working on curriculum, though no new material is taught during that period.
