

To our LES Families:

As a part of Waste Reduction Week (October 16 – 22, 2017), LES is again taking part in the Bag Up Manitoba project.

Your part is easy! We are encouraging ALL families to bring in your **clean and dry grocery or chain store plastic shopping bags** (Walmart, Safeway, Superstore, Dollarama, Giant Tiger, etc). Plastics such as newspaper sleeves, produce bags, bread bags, ice bags, bubble wrap, case over wrap, pellet bags, salt bags, dry cleaning bags, re-sealable food bags and cereal bags will also be accepted. A large bin will be located near the office to collect the bags as they come in.

Please bring in bags and plastics that are CLEAN, DRY and FOOD FREE. Unclean bags will end up in the garbage. Please check your bags for receipts as well.

The deadline for collection is October 31. After this date, one of our classes will be counting the bags and packing them for pick up.

The MMSM (Multi-Material Stewardship Manitoba) Bag Up Manitoba campaign started in 2008 and has teamed up with elementary schools all across our province. This year, MMSM will be sending each school a bird feeder made from recycled plastics.

You can find out more information about Bag Up Manitoba at takepride.mb.ca. Just click on the link at the bottom of their home page.

Thanks in advance for helping us join together to make a big difference in our world!

Sincerely,

The Staff and Students at LES
